USING THE MEDIA FILE UPLOAD**

Now comes the undersigned, Assistant United States Attorney, Robert A. Moran, and pursuant to the Electronic Filing Policies and Procedures, seeks leave of this Court to file two exhibits via the electronic portal “Media File Upload” in CM/ECF.

The exhibits to the Government’s Sentencing Memorandum cannot be converted to a PDF format for the following reason: the exhibits are video format and consists of the surveillance video footage from the Warren Police Department fingerprint room and an officer’s body-worn camera video recorded on June 13, 2023. Exhibit two is a video from a Warren Police Officer's body-worn camera that is approximately one minute and twenty-one seconds long. The video has about 60 seconds of audio, including the officer's conversation with Rodriguez, and Rodriguez's statements to the victim. A transcript of the audio recording will be filed as an exhibit to the government's motion.

Defense counsel does not object to the submission of the videos to the Court in this manner. A timestamp reference to the relevant part of the media files will be provided within the government's sentencing memoranda.
